

Friendly Faces

Describe a person:

Fernando is my brother in law, I've know him for 8 years ago, he is very shy, he is kind and he is very annoying but he is one of my best friends.

He is tall but not taller than me, he's short dark hair and brown eyes, he is very strong, and usually wears comfortable clothes.

I met in high school at begin he was very shy but when I met him well, he became friendlier, tends to be too nice sometimes, so much so that they sometimes take advantage of him, he loves my sister and we have always gotten along very well.

I think we will be friends for a long time, apart he is very reliable, whatever the end is one of my best friends
